The issuance of shares may be carried out by offering new shares or transferring treasury shares held by the company.

The total number of shares to be issued or transferred under the authorisation may not exceed 961,563 shares, which corresponds to approximately 9.9 per cent of the current total number of registered shares in the company.

The new shares may be issued and the treasury shares held by the company may be transferred for consideration or without consideration.

The Board of Directors decides on all terms and conditions for the issue of new shares and the transfer of the company's own shares. Based on the authorisation, the Board of Directors may decide on a share issue in deviation of the pre-emptive subscription right of the shareholders (directed issue) subject to conditions mentioned in the Finnish Limited Liability Companies Act. The authorisation also includes the right to decide on issuing new shares to the company itself without consideration.

For example, the Board of Directors may use the authorisation as compensation in acquisitions, to develop capital structure, to broaden the ownership base, to acquire assets related to the company's business or to finance or carry out other business transactions, or for other purposes decided by the Board of Directors. However, the authorisation may not be used for the implementation of incentive programs of the company's management or key personnel.

The authorisation is valid until the closing of the next Annual General Meeting, but no longer than until 30 June 2026 at the latest. For the sake of clarity, the authorisation shall not revoke the authorisation given to the Board of Directors at the general meeting on 13 April 2023 to decide on the issuing shares and special rights entitling to shares for the purposes of incentive plans, based on which a maximum of 400,000 shares can be issued. to be selected
8. members of the board,

10. where applicable, the sustainability reporting assurer."

The Board of Directors proposes to the Annual General Meeting that Section 9 of the Articles of Association (Meeting Invitation) be amended so that it allows the Annual General Meeting to be held completely without a meeting venue as a so-called remote meeting. The possibility of organising remote General Meetings is intended to be used above all in exceptional circumstances.
